CONSENT FOR SERVICES AND FINANCIAL POLICY

As a condition of your treatment by this office, financial agreements must be made in advance. The practice depends upon reimbursement from the patients for the costs incurred in their care and financial responsibility on the part of each patient must be determined before treatments.

All emergency dental services, or any dental services performed without previous financial agreements, must be paid for in cash at the time of service.

Patients who carry Dental Insurance understand that all dental services furnished are charged directly to the patient and that he or she is personally responsible for payment of all dental services. The office will help prepare the patients insurance forms or assist in making collections from insurance companies and will credit any such collections to the patients account. However, this dental office cannot render services on the assumption that our charges will be paid by an insurance company.

I hereby authorize any provider, insurer or organization to release any information regarding dental history, treatment or benefits payable for claims to plan administrators or the authorized agent for purposes of determining benefits payable. I hereby authorize payment directly to the Dentist for the dental benefits otherwise payable to me.

A service charge of 1.5% per month (18% per annual) on the unpaid balance will be charged on all accounts exceeding 60 days, unless previously written financial arrangements are satisfied.

I understand that the fee estimate listed for this dental care can only be extended for a period of 6 months from the date of patient examination.

In consideration for the professional services rendered to me, or at my request, by the Doctor, I agree to pay therefore the reasonable value of said services to said Doctor or his assignees at the time said services are rendered, or within 5 days of billing if credit should be extended. I further agree that the reasonable value of said services shall be billed unless objected to, by me, in writing within the time of payment thereof. I further agree that a waiver of any breach of any costs and reasonable attorney or court fees if should be rendered hereunder.

I grant my permission to you or your assignees to telephone me at home or at my work to discuss matters related to this form.

I have read the above conditions of treatment and payment and agree to their content.

Appointment Policy

We understand that unplanned issues can come up and you may need to cancel an appointment. If that happens, we respectfully ask for scheduled appointments to be cancelled at least 48 hours in advance. Our doctors and Hygienists want to be available for your needs and the needs of all our patients. When a patient does not show up for a scheduled appointment, another patient loses an opportunity to be seen. ***There may be a fee of $35.00 assessed if we do not receive a call to cancel an appointment.*** Thank you for being a valued patient and for your understanding and cooperation. This policy will enable us to open otherwise unused appointments to better serve the needs of all patients.
